Yes. No thanks.

May We Use Your Order in Shoebox Memories Marketing Efforts?

We'd like to have your permission to use your finished slide show as part of our marketing efforts. This would include things such as showing your slide show (or portions of it) at bridal shows or on the Internet as a demo. This would be for use only by Shoebox Memories.

Yes you may. Yes, anything but the Internet. No please don't.

How to Order Your DVD:**STEP 1 – Organize Your Photos**

Collect and organize the photos you wish to include in the slide show, then put them into the sequence you want them displayed. You should label and number each photo (1, 2, 3, etc.) in case they fall out of sequence during shipment. If you plan to include digital photos, it is best to simply change the name of the file to be the number of the photo itself (eg. "78.jpg"). We recommend writing the number on a sticky note and attaching it to the back of the photo. We do not recommend writing numbers on the back of photos in pen or marker as they tend to bleed if not completely dry. Photos in albums or slides in metal Airquipt frames will incur an additional service charge which can be prevented by doing the work yourself if desired. Let us know if you have questions.

STEP 2 – Fill Out the Order Form

Fill out this form. Please print clearly.

STEP 3 – Send Everything to Us

Send us your photos, music CDs, videotape(s) and completed order form. If you are local to Northern VA / Wash DC, you can either arrange to drop your order off in person (by appointment only please) or simply ship* your order to the address below. Be sure to provide adequate packing material and protection for your photos, CDs and video tape(s) to avoid damage during shipping. We strongly recommend enclosing your materials in zip lock plastic bags for extra protection from the elements during shipping.

SHIP IT using a **traceable** shipping service to: (Shoebox Memories, 25864 Flintonbridge Drive, South Riding, VA 20152-4802). Be sure to include protective packing materials to prevent the contents from shifting around and getting damaged. Also be sure to include a check with your order if paying by check.

* NOTE: Shoebox Memories will handle your materials with the utmost care and consideration, however we can not be held responsible for any damage that occurs during the transportation of your materials to us. For that reason, we would encourage you to be very dilligent in properly packing your order, and perhaps even creating duplicates then sending us the original. It is also recommended that you ship your package to us using a reliable and trackable shipping service (UPS, FedEx, DHL, USPS, etc.). We will do the same when sending everything back to you.

STEP 4 – Wait to Hear From Us, then Submit Payment

We will notify you when your order is completed. No deposit is required for most orders. You will then be sent an email requesting that you pay for the order (via PayPal or credit card) at our payment webpage (<http://www.shoeboxmemories.net/makepayment>). Payment by check is also acceptable; however, since checks require more time to clear you may want to consider including the check with your order to minimize delays. Make checks payable to "Shoebox Memories". Rush orders MUST be paid via PayPal or credit card to avoid delay.

Please note that Virginia residents and "pick-up orders" will need to also pay 5% sales tax.

STEP 5 – Sit Back and Enjoy Your DVD

Once payment is received -- we will send your finished DVD and original materials to you. If you are in the metro Washington DC area and prefer to arrange for a pick-up, just let us know.

Completion times will vary with the size and complexity of your order. Generally you should allow us 4-6 weeks lead time. For "standard" orders, we offer best-effort turnaround times. If you need to ensure completion of the DVD in a certain timeframe (esp less than 4 weeks) you will need to do a "rush" order. **Please contact us to check our availability first.**

Background Music: (Use additional paper as needed)

Background music sets the tone and mood of your slide show. Shoebox Memories does not provide the music for you so please be sure to send us the music you wish to use with your order. Music may be provided on CD or in MP3 formats. A general rule of thumb is to provide roughly 6 seconds per slide, which is roughly 10 photos per minute of song. We will adjust the music to fit. There are no per-song fees.

If you would like song played in its entirety, please note it below. Otherwise, we will fade out songs to fit.

Please be aware of and obey copyright laws on the music you select, and understand that you have agreed to be responsible for ensuring copyright compliance with this order. As a result, Shoebox Memories cannot provide you with the music, outside of our limited royalty-free music collection.

We can offer suggestions on songs for your DVD slide show and provide links on where you may purchase MP3's for most. Please visit our website –

DAMAGE LIABILITY

Shoebox Memories cannot be held responsible for any damage to your materials during transportation. For that reason, we highly recommend that you create duplicates. In addition, it is recommended that you ship your package to us using a traceable and reliable shipping service. We will do the same when sending the final product back to you.

If needed, we can assist you in determining if your DVD player supports it -- just ask us. Sorry, refunds will not be given for DVD incompatibility reasons.

Your contact information will only be used by Shoebox Memories, and only for Shoebox Memories marketing and communications.
